2027

It’s not summer without SHAKESPEARE

We’re just getting started

For 70 seasons, we’ve gathered to share Shakespeare’s timeless stories. Every summer, we laugh until we ache, wipe tears from our cheeks, and hold our breath through epic battles. But more than any single play, Shakespeare’s greatest gift is the chance to come together, step outside ourselves, and share in all the joys and sorrows of being human, made better by the most soul-stirring words ever written.

This summer, we’re celebrating that enduring alchemy with four titles honoring the man, the myth, the legend—William Shakespeare. The next 70 start now.
