

SHAKES
PEARE
FESTIVAL

It's time to make plans for the 2024 Colorado Shakespeare Festival season!

The Hellems building surrounding the Mary Rippon Outdoor Theatre will be under renovation, but that's not going to stop us from delivering bewitching Shakespeare on the beautiful Boulder campus.

Seats are limited this year, so renew your season tickets now to guarantee your spot. We've also crafted the schedule to make it easy to enjoy a double header. I'll see you at the theatre!
